

work
bought founder gotta eberhard
start way good
don't elabor musk delet
make engin
can didnt nice ittrue wasn't
take hit get bull first thing gold
think like lol anyth that
electr guy elon just call got
say know remov middl also
shit man bad spam
hes peopl invent lie time
comment tesla compani even
year one actual car done
weird elonbor marc wait edison
gifgiphyzupmatxpono latter now
spacex link inventor thank name
made found lot fraud
reddit never
though
